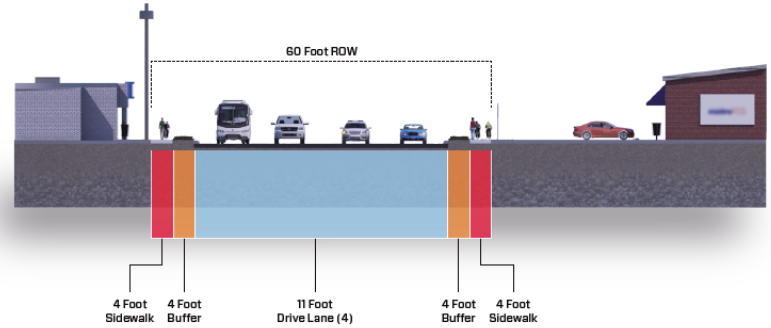
Virtual Public Hearing
Shepherd and Durham
Major Investment Project
CSJ: 0912-72-607
January 14, 2021

PROJECT NEED AND PURPOSE

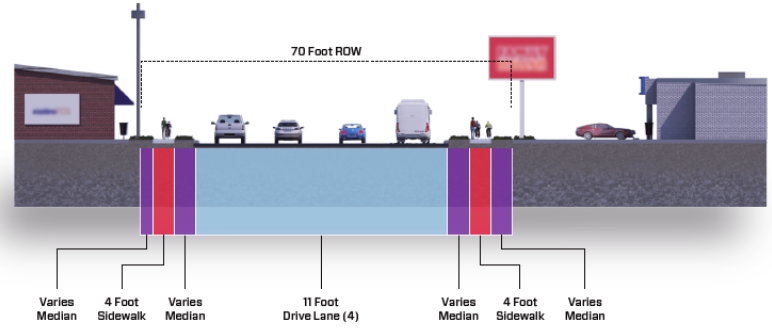
- Project Need:
  - High crash rate
  - Roadway is in serious disrepair/no significant roadway improvements since the 1950s
  - Lack of multi-modal and regional access
  - Flooding
  - Congestion
- Project Purpose:
  - The purpose of this project is to address regional priorities related to safety, state of good repair, multimodal access, stormwater mitigation and congestion relief

EXISTING TYPICAL SECTION

DURHAM DRIVE (EXISTING)



SHEPHERD DRIVE (EXISTING)



PROPOSED PROJECT

Proposed improvements to Shepherd and Durham:

- Modernize the roadway and reduce the number of through lanes from four- to -three
- Construct pedestrian and bicycle facilities
- Install new traffic signals
- Install landscaping
- Install signage and crosswalk striping
- Construct stormwater improvements
- Replace and upgrade sanitary and water lines

PROPOSED TYPICAL SECTION
